

16th February, 2022

Dear Parents / Guardians,

Our Student’s Contraction of COVID-19

Our school received a notification from a parent at noon today (16th February, 2022) that a Secondary 1 student was initially diagnosed with COVID-19, and the student last entered our campus on 21st January, 2022.

According to the advice given by the Education Bureau (EDB) and the guidance given by the Centre for Health Protection (CHP), our school has suspended face-to-face classes since 24th January, 2022 and hired professional services to carry out deep cleaning of the campus on 24th January, 2022 so that our school remains open to handle school affairs and parents’ enquiries.

Parents are reminded to pay close attention to the health conditions of their children and should avoid taking their children to crowded places with poor ventilation. Parents and students can perform testing if they are in doubt about their children’s health.

For further enquiries regarding the above-mentioned arrangements, please contact our school at 26021000 during office hours.

Thank you for your attention.

Yours faithfully,

Principal of Lock Tao Secondary School
