

21<sup>st</sup> February, 2022

Dear Parents / Guardians,

**The List of our Students' Contraction of COVID-19**

Our school received notifications from parents that three Secondary 3 students were initially diagnosed with COVID-19, and the students last entered our campus on 21<sup>st</sup> January, 2022.

According to the advice given by the Education Bureau (EDB) and the guidance given by the Centre for Health Protection (CHP), our school has suspended face-to-face classes since 24<sup>th</sup> January, 2022 and hired professional services to carry out deep cleaning of the campus on 24<sup>th</sup> January, 2022 so that our school remains open to handle school affairs and parents' enquiries.

Parents are reminded to pay close attention to the health conditions of their children and should avoid taking their children to crowded places with poor ventilation. Parents and students can perform testing if they are in doubt about their health.

As the number of confirmed COVID-19 cases is increasing, our school will upload the list of confirmed cases onto our school website and will update the list without any prior notice to the parents.

For further enquiries regarding the above-mentioned arrangements, please contact our school at 26021000 during office hours.

Thank you for your attention.

Yours faithfully,

Principal of Lock Tao Secondary School
