

22nd February, 2022

Dear Parents / Guardians,

The Arrangement of ‘Vaccine Pass’

The Government of Hong Kong Special Administrative Region has announced the extension of ‘Vaccine Pass’ to more places including schools. The implementation of ‘Vaccine Pass’ at schools will start from 24th February, 2022, except for those who are granted exemptions (such as medically unsuitable for vaccination), all staff (including teaching and non-teaching staff), persons providing on-campus services and visitors must have at least received the first dose of COVID-19 vaccine. After the implementation of ‘Vaccine Pass’, all staff, visitors (including parents) must meet the above-mentioned requirements (including those who are granted exemptions should undergo a test if they have been assessed by a doctor as being medically unsuitable for vaccination), otherwise they will not be allowed to enter the school premises.

In addition, our school, in accordance with the requirements of the Education Bureau (EDB), has displayed “LeaveHomeSafe” venue QR code in a prominent place outside the school gate. Please be informed that if parents need to enter the school premises, they must present a proof of vaccination (vaccination record or electronic vaccination record stored in “LeaveHomeSafe” mobile app), and scan the “LeaveHomeSafe” venue QR code (except for those who are exempted from the requirement of using the app). The above-mentioned ‘Vaccine Pass’ arrangement does not apply to students.

For further enquiries regarding the above-mentioned arrangements, please contact our school at 26021000 during office hours.

Thank you for your attention.

Yours faithfully,

Principal of Lock Tao Secondary School
