

23rd February 2017

Dear Parents / Guardians,

Secondary One to Three Second Term Test

The second term test of this school year will be held between 16th and 23rd March, 2017. The timetable is attached. There will be no school day on 17th March (Friday) as for the Teachers' Professional Development. Students are advised to stay at home to do their revision on that day.

In order to enable our students to have more time to revise, students only have to attend the morning lessons on 15th March (Wednesday) till 12:45p.m. We sincerely hope that parents/guardians could regulate your child to study hard and gain good results in the test. During the test period, all students must bring along the textbooks and handouts of the related subjects and revise them in the self-study periods.

1. The objective of the test is to assess students' academic performance in various subjects. Students are obliged to try their best for the test. Once a student is found cheating or assisting other student(s) to cheat at the test, one will be punished with a major offence, and the mark of the test at which one cheats will be counted as zero.
2. All students' calculators must have a 'HKEAA approved' label during tests.
3. If the class is suspended as announced by the Educational Bureau due to a typhoon or a rainstorm warning on the day of the test, the subject of that day will be postponed accordingly.
4. All students have to attend to school by 8:05 a.m. during test period.
5. All students have to return home to study as soon as possible after tests.

Yours faithfully,

Principal of Lock Tao Secondary School
