*Do you know why people never wish a German 'happy birthday' before his/her actual birthday?*

*It is normal for Brazilians to ask their guests upon arrival to their homes if they'd like to have a shower. Will they be offended?*

*In most South American countries, it is customary for guests to arrive at least 15-30 minutes late. Is it rude?*

Do you know the answers to the above strange but funny customs or traditions? Actually, the facts could be found in this book, **Travel English**.

Not only the fun facts, *Travel English* is also a useful reference book in which you can find a variety of common expressions and daily conversations in most common situations like, at the airport, restaurant, hair salon, clinic, etc. that people will encounter while travelling or studying abroad. The writer presents her information in a hilarious way through sharing travel tips, fun facts and her memorable travel stories.

You can also scan its QR code for the sound tracks of the pronunciation, not only English but also other languages. Don't miss the chance to read this wonderful book that you must find lots of pleasure and treasures in it.
