Dear Parents / Guardians

Participation of Students in Physical Education Class and Various Sports Competitions

Excellence in Moral, Intellectual, Physical, Interpersonal, Aesthetic and Spiritual Fields have been the visions of education of Our School to nourish our students. It has been embraced and supported by our students and their parents. However, some students may have their very individual state of health problems which seem not appropriate to be involved in physical training. If your child's state of health is suitable to participate in physical education class and any kinds of sports competitions, you can apply for an exemption with an attachment of medical certificate. Please kindly return the reply slip to the class teacher by September 2nd.

The student being exempted will be arranged to a suitable environment to study during physical education class in the school year.

Thank you for your attention.

Yours faithfully,

Principal of Lock Tao Secondary School
