How do you often spend your summer vacation? Hanging out with friends, doing part-time jobs or taking short-term courses? For the Wildcats, they spend their summer vacation working at a country club founded by Ryan and Sharpay's family. However, this does not mean that it is 'all work and no play'; their life is not dull indeed. Troy and Gabriella enjoy the work and have found a way to have fun on the job!

The Wildcats are thrilled that there is an annual talent show in the country club they are working in and they all expect Troy and Gabriella will join it and surprise the audience with their amazing voices and perfect duo. Undoubtedly, Sharpay, with her competitive instinct, does not want this to happen. She tries all means to make Troy her singing partner. Then, Troy agrees to be her singing partner and this makes Gabriella feel so hurt and disappointed. Other Wildcat members feel bad about this too.

How can Troy keep this promise to Sharpay and at the same time not to disappoint Gabriella and Wildcats? Grab the book and read it. You will find this book interesting and the things happening around the characters are similar to things happening around you.
