Dear Parents / Guardians,

Learning At Home During Class Suspension – Lock Tao Self-directed Learning Platform

Considering the severe epidemic situation of the “Novel Coronavirus Pneumonia”, the Education Bureau announced that the Chinese New Year Holiday will be extended to 1st March (Sunday) for all schools. The school has established the “Lock Tao Self-directed Learning Platform” for students to continue their studies at home.

Starting from 10th February 2020, the school will launch the “Lock Tao Self-directed Learning Platform”. This system covers subjects under the “Eight Key Learning Areas”. Teachers distribute professionally designed self-learning materials systematically to students in the forms of video conferencing, automatic assessment software, video teaching and more. Teachers can monitor the progress of students learning and give feedback to improve the effectiveness of the students’ self-directed learning.

The link of the “Lock Tao Self-directed Learning Platform” has been set up through a “Quick Link” on the right-hand side of the school website. Parents should encourage their children to enter the relevant platform every day and complete their assignments in order to promote self-learning scheme. With the guidance from teachers and parents, students can build up their self-learning abilities and get well prepared for class resumption.

The school is strongly concerned about the health and safety of each student. Thus, students are advised to stay at home as much as possible during the extended period of holidays, pay extra attention to environmental and personal hygiene, and avoid going to overcrowded areas.

Thank you for your attention.

Yours faithfully,

Principal
