Dear Parents / Guardians,

Survey on Students' COVID-19 Vaccination Status

The Education Bureau (EDB) announced that all schools can continue to arrange students to return to campuses on a half-day basis in the 2021/22 School Year. However, when the teachers and school staff as well as the students of schools have achieved a high vaccination rate (70% or more of the teachers, school staff and students in the whole school have received two doses of COVID-19 vaccine for more than 14 days), EDB will allow the students of the school to resume normal school life, including whole-day face-to-face classes, luncheons, as well as extra-curricular activities. Therefore, our school would like to collect data about our students' vaccination status so that the school can take into consideration whether it is suitable to arrange more face-to-face classes or organise extra-curricular activities. Students should hand in the reply slip to the class teacher on 2nd September, 2021.

Thank you for your attention.

Yours faithfully,

Principal
